Item 4. Other Business Activities

Brian Stephenson is also licensed as an independent insurance agent. Mr. Stephenson is licensed to sell insurance products through Raffa Financial Services and BKA Private Wealth Consultants. Mr. Stephenson will earn commission based on compensation for selling insurance products, including insurance products he sells to you. Insurance commissions earned by Mr. Stephenson are separate and in addition to our Wealth Management Fees. This practice presents a conflict of interest because persons providing investment advice on behalf of our Firm who are insurance agents have an incentive to recommend insurance products to you for the purpose of generating commissions rather than making recommendations based solely on your needs. We manage this

conflict of interest by ensuring that the issuing insurer reviews the potential sale of any product to determine adherence to insurance suitability standards. Clients are under no obligation, contractually or otherwise, to act upon our recommendations related to insurance products and are not obligated to purchase insurance products through any person or entity affiliated with our Firm.

Mr. Stephenson is a member of Delta Consulting Partners, LLC, an entity through which Mr. Stephenson receives revenue as an independent insurance representative. Delta Consulting Partners, LLC conducts no other business.
